Green Party of Ohio 2008 Presidential Poll

Use of Poll: The results of this poll will determine how the Green Party of Ohio's delegation to the National Green Convention votes on the first round of voting for the Presidential Nomination. The Ohio delegation's votes will be split up on a proportional basis among the choices listed as first choice in the Instant Runoff Voting (IRV) ballot, below.

Who can vote: Green Party of Ohio members, who are Ohio residents, registered with the Party thru www.ohiogreens.org or on paper sent to the Secretary (mail to Tim Kettler, GPOH Secretary, 29674 TR 30, Warsaw, OH, 43844), are eligible to vote. You must be 18 years old and a registered voter to become a member of the Green Party of Ohio. People must register before the Convention to vote at the Convention. The deadline for registration is 10 AM the day before the Convention (April 4, 2008). Registration is via participation and recognition in a Local Party whose membership is sent to the State Party or registration on the website. For identification purposes we require your name, email (if available), street address and phone number (if available) so we can match these with those we have in our membership records.

Ballot

In the space next to each name, rank your choices 1-X. The person you prefer most should be ranked #1, your second choice #2, and so on. We will use an IRV process to determine an overall "winner" of the poll. The purpose of this is to demonstrate how IRV works and to provide additional information to interested groups or individuals. If you only mark one choice that will be counted as your first choice. You are not obligated to rank additional choices; however, ranking as many choices as you would support makes it more likely that your ballot will be counted in multiple 'instant runoff' rounds. Comments included in "other guidance" will be communicated to delegates.
